"Deliverance from addiction begins here!"

About The Center

The **Jessica Marie Baker Addiction Outreach Center** is a service of War For Truth Ministries' Deliverance From Addiction Outreach. It is a faith-based addiction outreach center where all of the wisdom and knowledge God has given its founder concerning drug addiction can be applied so that addicts and those that love them can be ministered to.

CEO Profile

Thomas W. Pohl is the founder of War For Truth Ministries and its major outreach Deliverance From Addiction. Thomas has been ministering to drug addicts since 2015 and is the author of the book, *"Deliverance From Addiction: Breaking the Yoke & Healing the Hurt"*.

The Center's Vision

The **Jessica Marie Baker Addiction Outreach Center's** vision is to create a faith-based addiction outreach center where addicts and those that love them can be educated and ministered to. The center will be an integral part of the future **Kingdom Culture Connection Chateau** (KCC Chateau). The KCC Chateau is the passion project of Bishop Dr. Perry L. Austin, founder and pastor of W.O.W. Gospel Ministries International (WGMI), and is currently in development.

The Center's Mission

Our mission is to educate and minister to addicts and those that love them. We seek to help addicts overcome their addiction once and for all through education designed to expose the prevailing narratives and methods surrounding addiction and addiction recovery that often keep addicts in a never ending cycle of addiction. We also endeavor to help addicts become productive members of society once again. Our mission also includes an often overlooked aspect of addiction, how it affects those that love an addict. We seek to help them understand the addict's plight and how they can help support them as they go through their process of overcoming addiction.

About Our Ministry

War For Truth Ministries was founded in 2022 by Thomas W. Pohl. In 2024, God revealed his calling to minister to drug addicts and those that love them. The **Deliverance From Addiction Outreach** was birthed soon after.

Who is Jessica Marie Baker?

Jessica Marie Baker was a dear friend of Thomas W. Pohl who tragically died of a drug overdose in 2018. In the midst of the pain of her loss, Thomas cried out to God and said, "DON'T LET HER DEATH BE IN VAIN, TURN THIS AROUND FOR GOOD!" Four months later, after God had healed his heart from her loss, God answered his plea and dropped his book, *"Deliverance From Addiction: Breaking the Yoke & Healing the Hurt"* on his heart. The book was published in December 2024. The Deliverance From Addiction Outreach was ultimately birthed out of her death. In July 2025, Jessica's father Richard gave Thomas his blessing to name his future addiction outreach center in her honor.
